5. Terms and Conditions for direct debit

Our direct debit facility is an automated payment system enabling a specified amount to be automatically debited from your account with your financial institution, on a prearranged, periodical basis, and then credited to your U Ethical investment.

Key features and benefits

- The convenience and ease of pre-arranging regular debits so you do not have to arrange individual transfers.
- Automatic debits can be one-off or periodic/regular payments.

Key risks

- You will need to ensure that you have sufficient funds in your account to cover the direct debit amount.
- If you wish to cease the direct debit, you need to do so by notifying U Ethical.
- Any refund of funds transferred will need to be organised directly with the party you are paying, unless the debit was the result of an error made by U Ethical.
- Disruption to computer and/or telecommunications systems may occur from time to time resulting in the temporary unavailability of this service.

Costs

U Ethical does not charge any transaction fees for direct debits. However, some banks and credit unions may charge you transaction fees, depending on the type of account. Please check with your financial institution, as you will be responsible for any transaction or dishonour fees charged thereby.
