

U Ethical switch request form

Guide to completing this form

- Use this form to switch some or all of the units from your investment in a product ("Current Trust") into the another product ("New Trust") as nominated below.
- A switch is treated as a redemption of some or all of the units from your existing investment in Current Trust and an application into the New Trust.
- Switching is available when the investor name/s is exactly the same for both the Current Trust of New Trust, provided that you satisfy the minimum withdrawal switch amount from the Current Trust and the required minimum investment balance for each product.
- To switch your investment, units in the Current Trust are redeemed and new units in the New Trust are issued in accordance with the relevant Product Disclosure Statement and Information Booklet (collectively, a PDS), Information Memorandum (IM), Offer Document (OD) and constitution.
- When you request a switch using this form, we will redeem your existing units from the Current Fund at the next available redemption price and we will use the proceeds to purchase units in the New Trust at the relevant application price. There is currently no charge for switching between Trusts, however, buy/sell spreads may apply. Please refer to the relevant PDS, IM or OD for more details.
- If a switch requested for investment in a New Trust is below the minimum investment amount, we reserve the right to not accept your instructions to switch your investment into a New Trust.
- If a switch causes your investment in a Current Trust to fall below the minimum investment balance, we reserve the right to treat your instruction as an instruction to switch your full investment in that Trust.
- You can access a copy of the latest version of the PDS, IM and OD for the relevant product, and any updated information free of charge from uethical.com or by contacting us.
- The information provided in the PDS, IM and OD is general information only and does not take account of your personal financial situation or needs. You should obtain your own financial advice tailored to your personal circumstances. This form should accompany the PDS, IM or OD for each product. Each PDS, IM or OD contains important information about investing in that product. You should read the relevant PDS, IM or OD before making a decision to invest in a product.
- Switching may have tax implications. You should obtain your own taxation advice tailored to your personal financial circumstances or needs.
- Return the completed form by email, facsimile or mail.
- For any queries, please contact our Client Services team on 1800 996 888 from Monday to Friday, 9am – 5pm Melbourne time.
