We are also authorised to apply for, acquire, vary or dispose of a financial product on behalf of another person in respect of the following classes of products:

- basic deposit products;
- deposit products other than basic deposit products; and
- non-cash payment products;

U Ethical is responsible for the financial services we provide to you under our AFSL, and does not act as a representative of any other licensee.

The Trusts

U Ethical is authorised to operate registered managed investment schemes, which only hold financial assets, as the Responsible Entity. U Ethical is also the issuer, manager and administrator of these registered managed investment schemes:

- U Ethical Australian Equities Trust; and
- U Ethical Enhanced Cash Trust (the Trusts).

U Ethical, although a charitable body, will issue Product Disclosure Statements for the Trusts because they are fully regulated under the Corporations Act.

Charitable Fundraising Exemption

U Ethical is also the issuer and manager of the Funeral Fund which caters for persons who wish to promote the charitable purposes, and support the work of the Uniting Church in Australia and for whom profit considerations are not of primary relevance in their decision to invest.

U Ethical relies on ASIC Corporations (Charitable Investment Fundraising) Instrument 2016/813 (ASIC Instrument) in operating the Funeral Fund and is therefore exempt from the normal disclosure and scheme registration provisions of the Corporations Act. For this reason U Ethical is not required to issue a Product Disclosure Statement for the Funeral Fund and **ASIC has not approved or examined U Ethical, the interests in the Fund or the Fund's Offer Document.** An Identification Statement for the Funeral Fund (as accepted by ASIC under the ASIC Instrument) is available on U Ethical's website.

The Funeral Fund is not prudentially supervised by the Australian Prudential Regulation Authority. Therefore, an investor in the Funeral Fund will not receive the benefit

of the financial claims scheme or the depositor protection provisions in the Banking Act 1959. Investments in the Funeral Fund are intended to be a means for investors to support the charitable purposes of the Church.

Ethical Investing

All investments are managed by U Ethical within the Ethical Investment Policy approved by the Uniting Church in Australia. Surpluses are applied towards the charitable objects, and promotion of interests, of the Church.

U Ethical will also act as an intermediary under s911A(2)(b) of the Corporations Act 2001 (Cth) to enable the following entities to issue non-cash payment products, such as direct debit/credit facilities and telephone transactions:

- UCA Cash Management Fund Limited
- UCA Growth Fund Limited

(collectively referred to as U Ethical Companies)

U Ethical also provides general financial product advice and dealing by arranging services to retail and wholesale clients in relation to investments in the following:

- U Ethical Enhanced Cash Portfolio
- U Ethical Growth Portfolio
- U Ethical Australian Equities Portfolio

(collectively referred to as the Charitable Portfolios).

The Charitable Portfolios are also issued under ASIC Corporations (Charitable Investment Fundraising) Instrument 2016/813.

Investments in the U Ethical Enhanced Cash Portfolio represent debentures issued by UCA Cash Management Fund Limited and investments in the U Ethical Growth Portfolio and U Ethical Australian Equities Portfolio represent debentures issued by UCA Growth Fund Limited. These debentures represent a liability of the respective company to investors that must be satisfied out of that company's assets but investors do not have a beneficial entitlement to the assets of these companies.

Please note that the U Ethical Companies are charitable bodies under the ASIC Instrument and therefore exempt from the normal disclosure, fundraising and licensing provisions of the Corporations Act. For this reason the U Ethical Companies are not required to issue a Product Disclosure Statement for the Charitable Portfolios and **ASIC has not approved or examined the U Ethical Companies, the debentures relating to the Portfolios or the Portfolios' Offer Documents**. An Identification Statement for each of the Portfolios (as accepted by ASIC under the ASIC Instrument) is available on U Ethical's website.

The Charitable Portfolios are not prudentially supervised by the Australian Prudential Regulation Authority. Therefore, an investor in the Portfolios will not receive the benefit of the financial claims scheme or the

depositor protection provisions in the Banking Act 1959. Investments in the Portfolios are intended to be a means for investors to support the charitable purposes of the Portfolios.
